AUTHORS' INDEX

Volume 138, 1979

A

Addinell, Judy: Optimist and ideas man, Feb p8

Ayrton, Heather: "Goat fever" in Northland, Apr p18; NZ farmers "ripped off" for lamb, Apr p59; Opposition to minimum size for subdivision, Apr p61

B

Bailey, Peter: Constructing a low-cost farm bridge, Jan p4

Batten, G. J.: Goatmeat production for export — The farmer's role, Jan p16

Bealing, John: Swimming pools not required! Feb p33

Benge: Farmer Fred: Feb p19; Mar p31; Apr p60; Jun p64

Berry, Ian: Keeping bees with Ian Berry: The most important bee, Jan p31; Raising queen cells — Greek style, Feb p53; Preparing hives for winter, Mar p38; Selling your honey crop, Apr p42; The value of keeping records, May p33; The use of apiary cards, Jun p66

Bilkey, Jack: Repairing runout pastures, Jun p10

Bilton, Jan: Entertaining al fresco, Mar p79

Bird, Matthew: How good are flat-stack systems? Feb p3; Solar-powered pump, Feb p47; Caring for lambs, Mar p15; Bird-scarer with a repertoire, Mar p77; New trailers for old, Apr p40; Low-priced tipper, Jun p18; New concept in windmills, Jun p65

Boswell, Colin: Maintaining grass/clover balance, Apr p9

Bourke, I. J.: What next for US meat bill? Jan p2

Brown, Brian M.: Jointing polythene pipes: 1. Heating with liquids, Feb p39

Butler, G. W.: The importance of trace elements, Mar p58

Butterworth, Bill: The pick of Paris, May p6; Improvements in grease, May p21

C

Campbell, Ian: Care and maintenance, Apr p48

Canterbury correspondent: Backache-free dagging, May p2

Clarke, R. M.: Jointing polythene pipes: 2. Heating with liquids, Feb p41

Clayton, Des: Changes considered in milking routine, Jun p42

Courtney, R.: The Cambridge programme, May p57

Crabb, Don: Lincoln College conference, May p19

Crooks, M. R.: Gardening: Summer in the flower garden, Jan p57; Preparing for winter, Feb p73; Flowers for winter and spring, Mar p81; Seasonal landscaping, Apr p80; Easycare perennials; May p73; For garden colour in the winter, Jun p78

Cross, Don: How Taimate solved its water supply problem, Feb p30

Crouchley, Geoff: Super can go it alone, Mar p48

Cummins, Ruth: Tunnel makes life easier, Jan p19; Pipeline a dream come true, Feb p36; Wheel turns full circle, Feb p44; Farm is haven for wildfowl, Jun p23

D

Dennis, R. A.: Quarter-century of progress, May p10; The major areas of progress, Jun p13

Dickson, A. J.: Jointing polythene pipes: 3. Heating with steam, Feb p41

Du Faur, Ralph: Rearing dairy heifers, Jun p5

Duirs, Graham: Modern mastitis control, Jun p32; Mastitis and herd interactions, Jun p35

Dunedin correspondent: Progress of young farmers of the year — Introduction of Booroolas his main interest, Jun p56

E

Elliott, B. E.: The new law on noxious plants, Jan p13

Evans-Scott, Anne: Omitting udder washing, Jun p52

F

Fisher, Keith: Milking machines should be serviced regularly, Jun p45

FRI spokesman: Guest exhibitor at Fieldays, May p17

G

Gisborne correspondent: Chairman does not favour controls, Apr p16

Gunn, Ian: Backing-gate operation, Mar p11

H

Hardie Boys, Rachel: Carbon-copy cows, Jan p11

Haysmith, Wynne: Refinery could lead to soya bean cropping, Mar p6

Hayward, Dai: Market comment: Happy new year, Jan p39; Full marks to Wool Board, Feb p51; Threat from synthetic meats, Mar p36; Wool clip sellout likely; Apr p46; Meat and cattle markets buoyant, May p26; Last wool sales crucial for Wool Board, Jun p24

Hemmingsen, P.: Abortion in sheep, May p63

Hill, Russell: Citrus industry changes in offing, Jun p8

I

Ivens, G. W.: Weeds of note: Nodding thistle, Feb p16; Stinking mayweed Mar p21

J

Jackson, David: Planting and training grape vines, Jan p25

Jagger, H. J.: "Safe" pasture management, Mar p64

Journal correspondent: Journal digest: Jan p47; Feb p65; Mar p69; Apr p70; May p68; Jun p71; Options for growers in solanum cropping, Mar p33

Journal special service: The Journal crossword, Jan p59; Feb p75; Future of grass, Mar p73; Journal crossword, Mar p83; Apr p83; May p75; Jun p80

K

Kain, W. M.: Integrated control of pasture pests, Mar p61

L

Lawrence, S. B.: Hydatids, May p48

Leach, Gretchen: Let's go bananas! Jun p76

Leonard, M. C.: Basic riding skills, Feb p20; Horsemanship, Mar p18

Lingard, Margaret: Country home: Tasty nibbles, Jan p54; Every moment is precious, May p70; Where gadgets rule, Jun p76

London correspondent: Trading post: Worrying time on meat front, Mar p30; "Cat-and-mouse" game with NZ lamb, Apr p36; The "continuing scandal" of EEC food surpluses, May p27; The outlook for cheese, Jun p26

Lunn, W. A.: Benefits from liming, May p5

M

McKechnie, Sandra: Horses her way of life, Jan p10; Carpet maker adds jet-dye system, Jan p35; One of a new breed, Apr p19; Babaco could be important crop, Apr p25

Masfen, Peter: The economics of deer farming, Jun p26

Masterton correspondent: Clippings from the Golden Shears, Apr p11

Millar, K. R.: Trace-element deficiencies, May p53

Miller, John: Dirty stock costs money, Apr p6

Millington, Valerie: New rules for tractor pull, May p16

Mischefski, Paul: Progress of young farmers of the year — Two things in mind for new farm property, Jun p56

Moller, Knud: The Planned Animal Health and production Service, May p56

Montgomery, R. H.: Abortion in sheep, May p63

Moorhouse, S. R.: Goatmeat production for export — The farmer's role, Jan p16

N

Nisbet, Trevor: Cleaning milking machines, Jun p38

P

Palmerston North correspondent: Ryegrass staggers in sheep and cattle, May p65

Pedersen, Elisabeth: Country home: They're the berries! Jan p53; Closer to nature, Jan p55; Scrumptious scones, Apr p77; Tea-time treats, May p70

Petley, Jack: Studmaster: Spit and polish time, Jan p50; Zivato to stand at Patawa, Feb p68; "Enormous potential" for NZ breeding, Mar p74; Adios II — heading for the top, Apr p74; Brutus a great advertisement for Balios, May p42; Kirrama making a name for himself, Jun p85

Poultry section: Poultrykeeping: Housing new pullets, Jan p37; Chick rearing, Feb p58; Feeding household flocks, Mar p40; Broodiness, Apr p62; Culling the flock, May p36; Egg-handling and quality, Jun p73

R

Readers: Brainwaves, Mar p10

Readers and experts: Questions and answers: Jan p44; Feb p63; Mar p66; Apr p67; May p67; Jun p69

Robertson, Victor: European lamb cocktail, Feb p54

Round-Turner, Nick: Invermay field day programme, Mar p14

S

Sanders, James: Big marketing push needed, Apr p15; Firearms on the farm: Choose your weapons! Apr p51; Pass the ammunition, Apr p52; Reload your own, Apr p54; Habitats for wildlife, Apr p57; Restoring "shot-out" rifles, Apr p58; Grape-grower's time-saving trailer, May p12; New ideas in selling wool, Jun p2

Simperingham, Pat: Pole-framed farm structures, Feb p49

Sloan, Ted: Water power and the Michelle turbine, Feb p25

Sorenson, Douglas D.: Pesticides fail to halt crop losses, Apr p23

Southland correspondent: Polishing the image in Southland, May p18

Special writers: The Journal digest, Jan p47; Feb p65; Mar p69; Apr p70; May p68; Jun p71

Staff writers: Results of sire trials queried, Jan p22; Potential for grapes in the south, Jan p29; People; Jan p33; New products, Jan p41; Experience in New Zealand, Feb p5; New products, Feb p61; Same principle as "Dippy Duck" toy, Feb p48; Good case for wood as fuel, Mar p23; People, Mar p32; New products, Mar p44; Seaweed products: Fertiliser or growth regulator, Apr p20; Cattle judge hits at sires findings, Apr p22; New products, Apr p64; People, Apr p76; "Rabbit industry must come" May p9; New products, May p22; Lead danger in roadside pastures, May p51; Product development, May p65; People, May p22; People, Jun p87; New products, Jun p88

Steele, Peter: Harvesting blackcurrants, Jun p60

Stewart, Di: Peaches and plums, Mar p76; Mouth-watering mushrooms, Apr p79

Stewart, K. M.: Control of two-year grassgrub, Mar p51

Studman, C. J.: Single-phase solar heater for farm dairies, Mar p2

T

Tempero, Harvey J.: Sire-proving systems overseas, Jan p20

Thorstensen, Dianne: Dining in Europe: Italy — land of pasta and pizza, Feb p70; A taste of Scotland, May p71; Shellfish and sherry in Spain, Jun p78

Turkington, Don J.: Call for new broom in freezing industry, Apr p26

W

Wall, Michael: Marketing the key, says agency man, Apr p17

Wallace, T.: The Cambridge programme, May p57

Ward, Alan B.: Part-time farmlets and land use, Apr p24; Commuting costs as a deterrent, Jun p58

Warren, Roger: Special day for dairy farmers, Apr p12; Giving value for time, May p14

Waters, John: Thoroughbreds: Dulcify doing his bit for NZ, Jan p49; Quality down this season, Feb p67; "Sensible" national yearling sales, Mar p72; Don't rely on luck, Apr p73; Tui's Lass gives SI a boost, May p40; Ever-increasing role for the veterinarian, Jun p81

Wellington correspondent: "Use the available tools," Apr p17; Dryberry disease in boysenberries, Apr p38; Critical eye on agriculture's problems, Jun p63

SUBJECT INDEX

Volume 138, 1979

A

Animal health: Hydatids, May p48; Lead danger in roadside pastures, May p51; Trace-element deficiencies, May p53; The Planned Animal Health and Production Service, May p56; The Cambridge programme, May p57; Abortion in sheep, May p63; Ryegrass staggers in sheep and cattle, May p65; Product development, May p65
Animals Act, The, Feb p6
Animals Protection Act, The, Apr p13

B

Babaco could be important crop, Apr p25
Backing-gate operation, Mar p11
Bees with Ian Berry, Keeping: The most important bee, Jan p31; Raising queen cells — Greek style, Feb p53; Preparing hives for winter, Mar p38; Selling your honey crop, Apr p42; The value of keeping records, May p33; The use of apiary cards, Jun p66
Blackcurrants, Harvesting, Jun p60
Boysenberries, Dryberry disease in, Apr p38
Brainwaves: Mar p 10
Breed, One of a new, Apr p19
Bridge, Constructing a low-cost farm, Jan p4
Bursary offer, $500, Jan p36

C

Carpet maker adds jet-dye system, Jan p35
Citrus industry changes in offing, Jun p8
Classified advertising: Jan p60; Feb p77; Mar p84; Apr p84; May p76; Jun p92
Country home: They're the berries! Jan p53; Tasty nibbles, Jan p54; Closer to nature, Jan p55; Dining in Europe: Italy — land of pasta and pizza, Feb p70; Peaches and plums, Mar p76; Home-science publications, Mar p78; Entertaining al fresco, Mar p79; Scrumptious scones, Apr p77; Mouthwatering mushrooms, Apr p79; tea-time treats, May p70; Every moment is precious, May p70; A taste of Scotland, May p71; Let's go bananas! Jun p75; Where gadgets rule, Jun p76; Shellfish and sherry in Spain, Jun p77
Cows, Carbon-copy, Jan p11

D

Dagging, Backache-Free, May p2
Dairy farmers, Special day for, Apr p12
Deer farm, On the: Heed feed needs, Feb p51; Roar and rut, Mar p26; Velvet prices dominant facet, Apr p31; Health problems in deer, May p29
Deer farming, The economics, of, Jun p26
Delicensing "meaningless," Apr p28
Dirty stock costs money, Apr p6

E

Experience in New Zealand, Feb p5
Export award to honey producer, Jan p50

F

Farm accounting course, Mar p76
Farm water supplies: Water power and the Michelle turbine, Feb p25; How Taimate solved its water supply problem, Feb p30; Swimming pools not required! Feb p33; Pipeline a dream come true, Feb, p36; Jointing polythene pipes — 1. Heating with liquids, Feb p39; 2. Heating with steam, Feb p41; Wheel turns full circle, Feb p44; Solar-powered pump, Feb p47; Same principle as "Dippy Duck" toy, Feb p48
Farmer Fred: Feb p19; Mar p31; Apr p60; Jun p64
Farmlets and land use, Part-time, Apr p24; Commuting costs a deterrent, Jun p58
Fieldays, Energy conservation feature of, Apr p13
Fieldays, Guest exhibitor at, May p17
Firearms on the farm: Care and maintenance, Apr p48; Choose your weapons! Apr p51; Pass the ammunition, Apr p52; Reload your own, Apr p54; Habitats for wildlife, Apr p57; Restoring "shot-out" rifles, Apr p58
Flat-stack systems? How good are, Feb p3
Flock House short courses, Jan p15
Freezing industry, Call for new broom in, Apr p26
Freezing plant extensions come "on line," Jan p21

G

Gardening: Summer in the flower garden, Jan p57; Preparing for winter, Feb p73; Flowers for winter and spring, Mar p81; Seasonal landscaping, Apr p80; Easycare perennials, May p73; For garden colour in the winter, Jun p78
"Goat fever" in Northland, Apr p18
Goat industry, Support for a Fijian, Jan p9
Goatmeat production for export — The farmer's role, Jan p16
Golden Shears, Clippings from the, Apr p11
Grape-grower's time-saving trailer, May p12
Grape vines, Planting and training, Jan p25
Grapes in the South, Potential for, Jan p29
Grass/clover balance, Maintaining, Apr p9
Grass, Future of, Mar p73
Grease, Improvements in, May p21

H

Heifers, Rearing dairy, Jun p5
Horsemanship, Mar p18
Horses her way of life, Jan p10

I

Improved pastures: Super can go it alone, Mar p48; Control of two-year grassgrub, Mar p51; Introducing new grasses into old pastures, Mar p57; The importance of trace elements, Mar p58; Integrated control of pasture pests, Mar p61; "Safe" pasture management, Mar p64
Invermay field day programme, Mar p14

J

Journal crossword, The: Jan p59; Feb p75; Mar p83; Apr p83; May p75; Jun p80
Journal digest, The: Jan p47; Feb p65; Mar p69; Apr p70; May p68; Jun p71

L

Lamb cocktail, European, Feb p55
Lamb, NZ farmers ripped off for, Apr p59
Lambs, Caring for, Mar p15
Letters, Jan p9; Feb p13; Mar p11; May p3
Liming, benefits from, May p5
Lincoln awards wide ranging, Feb p13
Lincoln College conference, May p19

M

Market comment: Happy new year, Jan p39; Full marks to Wool Board, Feb p50; Threat from synthetic meats, Mar p36; Wool clip sellout likely, Apr p46; Meat and cattle markets buoyant, May p26; Last wool sales crucial for Wool Board, Jun p24
Mastitis inherited? Jan p23
Milk, call for caution over sales of cartoned, Jan p20
Milking management: Modern mastitis control, Jun p32; Mastitis and herd interactions, Jun p35; Cleaning milking machines, Jun p38; Changes considered in milking routine, Jun p42; Milking machines should be serviced regularly, Jun p45; The essence of good management, Jun p47; The influence of stimulation, Jun p51; Omitting udder washing, Jun p52

N

New products: Jan p41; Feb p61; Mar p44; Apr p22; May p22; Jun p88
Noxious plants, The new law on, Jan p13

O

Optimist and ideas man, Feb p8

P

Paris, The pick of, May p6
Pastures, Repairing runout, Jun p10
People, Jan p33; Feb p56; Mar p32; Apr p76; May p22; Jun p87
Pesticides fail to halt crop losses, Apr p23
Pigmeat report: Big marketing push needed, Apr p15; Chairman does not favour controls, Apr p16; "Use the available tools," Apr p17; Marketing the key, says agency man, Apr p17
Pole-framed farm structures, Feb p49
Poultrykeeping: Housing new pullets, Jan p37; Chick rearing, Feb p58; Feeding household flocks, Mar p40; Broodiness, Apr p62; Culling the flock, May p36; Egg-handling and quality, Jun p73
Problems, Critical eye on agriculture's, Jun p63
Progress, Major areas of, Jun p13

Q

Quarter-century of progress, May p10
Questions and answers: Jan p44; Feb p63; Mar p66; Apr p67; May p67; Jun p69

R

Rabbits to follow in path of deer?. Apr p2
Riding skills, Basic, Feb p20
Romney rams, Record price for two, Jan p23

S

Seaweed products: Fertiliser or growth regulator, Apr p20
Silage, Slowing breakdown rate in, Jan p23
Sire-proving systems overseas, Jan p20
Sire scheme, Changes mooted in, Jan p40
Sire trials queried, Results of, Jan p22
Sires findings, Cattle judge hits at, Apr p22
Solanum cropping, Options for growers in, Mar p33
Solar heater for farm dairies, Single-phase, Mar p2
Southland, Polishing the image in, May p18
Soya bean cropping, Refinery could lead to, Mar p6
Studmaster: Spit and polish time, Jan p50; Zivato to stand at Patawa, Feb p68; "Enormous potential" for NZ breeding, Mar p74; Adios II — heading for the top, Apr p74; Brutus a great advertisement for Balois, May p42; Kirrama making a name for himself, Jun p85
